

The **POWER project** will be represented at HusumWind with presentations and meeting opportunities.

If you are at HusumWind, please use one of the opportunities as listed below to find out more about POWER and meet the project.

HusumWind takes place from 20-24 September 2005 in Germany, and is the largest international trade fair on wind energy.

PRESENTATIONS

- **POWER regional supply chain studies for the East of England, Germany and Denmark:**

Joint presentation by John Westwood (Douglas-Westwood Ltd.), Roger Heitmann (Logistic Service Agentur) and Allan Christensen (AC Consult). HusumWind Symposium, 21/09, 13.30-14.30.

- **Introduction to POWER:** Presentation by the project lead partner Mathias Grabs (BIS), WAB stand (Hall 3, Booth 3A27), 23/09, 10.50-11.10.

Pushing Offshore Wind Energy Regions (POWER)

September 2005: **POWER at HusumWind**

MEET THE POWER PROJECT

POWER has arranged various informal meeting opportunities, where you can talk to partners of the POWER North Sea competence network and businesses from the partner regions over a cup of coffee:

- **20th September, 16.00:** informal meeting opportunity at WAB stand (Hall 3, Booth 3A27)
- **1st September, 15.30:** Informal meeting opportunity with the consultants of the Supply Chain Studies at WFG-Nordfriesland Stand (Hall 2, Booth 2B06)
- **21st September, 17.00 onwards:** Reception with panel discussion (German language!) on offshore wind policy at WAB Stand - party afterwards. (Hall 3, Booth 3A27)
- **22nd September, 10.00:** informal meeting opportunity at WFG-Nordfriesland Stand (Hall 2, Booth 2B06)

You are also always welcome to visit the POWER-Partners WFG-Nordfriesland (Hall 2, Booth 2B06) and WAB (Hall 3, Booth 3A27) at their stands at the trade fair.
