

The POWER project will be represented with presentations and meeting opportunities at two major European renewable energy events:

- **WindEnergy 2006, Hamburg, Germany, 16.-19.05.2006**  
An International Trade Fair with the key topics of financing, export and offshore technology.  
Visit the website for more information: [www.hamburg-messe.de/windenergy](http://www.hamburg-messe.de/windenergy).
- **All-Energy 2006, Aberdeen, Scotland, 24.-25.05.2006**  
The largest all-renewable energy exhibition ever held in the UK.  
Visit the website for more information: [www.all-energy.co.uk](http://www.all-energy.co.uk).

If you are at one of these events, please use one of the opportunities listed below and on the next page to find out more about POWER and meet project partners. POWER has a stand on both events, where you can talk to partners of the POWER North Sea Competence Network and businesses from the partner regions over a cup of coffee. We look forward to meeting you there.
